SOLE REMEDY

The remedy of repair or replacement of parts that are found to be defective in factory materials or workmanship covered by this limited warranty shall constitute the owner's sole and exclusive remedy against Bayliner for any claims whatsoever of economic loss resulting from product failure. In keeping with environmental policies and practices, Bayliner reserves the right to utilize reconditioned, refurbished, repaired or remanufactured products or parts in the warranty repair or replacement process. Such products and parts will be comparable in function and performance to an original product or part and warranted for the remainder of the original warranty period. In no event shall any repair or replacement under this Limited Warranty exceed the fair market value of the product as of the date of the owner's claim. Acceptance of any product returned or any refund provided by Bayliner shall not be deemed an admission that the product is defective. Products that are replaced become the property of Bayliner.

OTHER LIMITATIONS

Except as set forth herein or on any other written limited warranties by Bayliner, there are no other warranties either expressed or implied provided by Bayliner on this boat. All other warranties, expressed or implied, including implied warranties of fitness and merchantability, are expressly excluded. Bayliner further disclaims any liability for economic loss arising from claims of product failure, negligence, defective design, manufacturing defect, failure to warn and/or instruct, lack of seaworthiness, and any other theory of liability not expressly covered under the terms of this limited warranty.

Any implied warranty of merchantability or fitness for a particular purpose is disclaimed. To the extent the implied warranty cannot be disclaimed, it is limited to the shorter of one year from the date of delivery to the first retail owner or the duration of the respective limited warranties stated herein. To the extent allowed by law neither Bayliner, nor the selling dealer shall have any responsibility for loss of use of the boat, loss of time, inconvenience, commercial loss or consequential damages. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not be applicable. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not be applicable. This warranty gives the owner specific legal rights, and the owner may also have other rights which vary from state to state or country to country.

Retail customers in the European Economic Area (EEA) may have legal rights under applicable national legislation regarding the sale of consumer goods which are not affected by this limited warranty. The retail customer's legal rights under any applicable national legislation regarding the sale of consumer goods shall not be affected. Information on authorized EEA dealers and EEA Privacy may be obtained at www.bayliner.com.

STATUTE OF LIMITATIONS

Any action for rescission or revocation against Bayliner shall be barred unless it is commenced within one (1) year from the date of accrual of such cause of action. This provision does not grant any consumer a right of rescission or revocation against Bayliner, where such right does not otherwise exist under applicable law. Some states may not allow the applicable statute of limitations for rescission or revocation to be reduced, so this provision may not apply to each retail owner.
